Manuel Rodriguez (Spain) (cont'd)

Please note: Although Brazilian Rosewood may no longer be harvested, the wood used in Rodriguez guitars has been naturally aged for over 25 years.

Upon request, proper documentation is available to allow legal international transport of these increasingly rare and exceedingly beautiful instruments.

Frontman™ Series Amplifiers

022-1500-049
Frontman™ 15 ................................................................. 104.99
Guitar combo amplifier, 15 Watts, 8" Fender Special Design speaker, dual selectable
channels (normal/drive) 3-band EQ, volume, gain, drive controls, external speaker jack,
headphone jack, closed-back enclosure, expanded metal grille, black tolex covering
(Shipped in a master pack of three amplifiers only)

022-1501-049
Frontman™ 15R ............................................................... 149.99
Guitar combo amplifier, reverb, 15 Watts, 8" Fender Special Design speaker, dual selectable
channels (normal/drive) 3-band EQ, volume, gain, drive controls, external speaker jack,
headphone jack, closed-back enclosure, expanded metal grille, black tolex covering
(Unit price shown. Shipped in a master pack of three amplifiers only)

22-1502-000
Frontman™ 25R ............................................................... 199.99
Guitar combo amplifier, reverb, 25 Watts, 10" Fender Special Design speaker, dual
selectable channels with remote channel switching (normal/drive), 3-band EQ, volume,
gain, drive controls, external speaker jack, headphone jack, open-back enclosure,
expanded metal grille, black tolex covering

022-1503-000
Frontman™ 15B ............................................................... 169.99
Bass combo amplifier, 15 Watts, 1-8" Fender Special Design speaker, Delta Comp™ limiter,
3-band EQ, tape-in jacks, effects loop, headphone jack, ported cabinet,
black tolex covering

BXR Series Bass Amplifiers

022-4403-000
BXR 25 ................................................................. 299.99
25 Watts into 8 Ohms, 1-10" Fender Special Design speaker, Delta Comp™ limiter,
3-band EQ, effects loop, headphone jack, ported cabinet,
black tolex covering

022-4404-000
BXR 60 ................................................................. 419.99
60 Watts into 8 Ohms, 1-12" Fender Special Design speaker, Delta Comp™ limiter,
4-band EQ, "mid notch" button, tape-in jacks, effects loop, headphone jack,
line out jack, sealed cabinet, black tolex covering

022-4401-000
BXR 100 ................................................................. 529.99
100 Watts into 4 Ohms, 1-15" Fender Special Design speaker, Delta Comp™ limiter,
7-band graphic EQ, high and low shelving, high and low boost switches, mid cut
switch, limiter, effects loop, line out jack, ported cabinet, black tolex covering

022-4405-000
BXR 200 ................................................................. 699.99
200 Watts into 4 Ohms, 1-15" Fender Special Design speaker, selectable
Delta Comp™ limiter, 9-band graphic EQ, high and low shelving, high/mid/low
enhance switches, chorus with rate and depth controls, effects loop, XLR line
out jack, 1-button footswitch for chorus select, ported cabinet, black tolex covering

022-4406-000
BXR 200 Head ......................................................... 574.99
Head version of BXR 200, 160 Watts into 8 Ohms, 200 Watts into 4 Ohms,
selectable Delta Comp™ limiter, 9-band graphic EQ, high and low shelving, high/mid/low
enhance switches, chorus with rate and depth controls, effects loop, XLR line out jack,
1-button footswitch for chorus select, rugged black carpet covering

022-4100-010
BXR 300C ................................................................. 799.99
300 Watts into 4 Ohms, 1-15" Fender Special Design speaker, 3-band EQ
w/swappable mids, Hi/Lo enhance switches, Delta Comp™ limiter, effects loop,
external speaker jack, ported cabinet, pop-in casters, black tolex covering
**BXR Bass Speaker Enclosures**

021-1670-000  **BXR 115B Speaker Enclosure** ................................................................. 299.99*
15" Fender Special Design speaker, 300 Watts peak power handling, 8 ohm impedance, perforated metal speaker grille, recessed handles, rugged black carpet covering.

021-1671-000  **BXR 410H Speaker Enclosure** ................................................................. 549.99*
4-10" Fender Special Design speakers, bullet horn tweeter with attenuator, 600 Watts peak power handling, 8 ohm impedance, perforated metal speaker grille, recessed handles, rugged black carpet covering.

021-1672-000  **BXR 210H Speaker Enclosure** ................................................................. 399.99*
2-10" Fender Special Design speakers, bullet horn tweeter with attenuator, 300 Watts peak power handling, 8 ohm impedance, perforated metal speaker grille, recessed handles, rugged black carpet covering.

**KXR Series Keyboard / Full-Range Amplifiers**

022-8500-000  **KXR 60** ........................................................................................................ 419.99
Medium powered and small enough to fit in the back seat, this compact little deal weighs in at 46 lbs and measures a trim 22" X 18" X 12". The KXR 60 is an ideal amp for club or single gigs. Specs: 50 Watts rms, 12" Fender Special Design speaker and piezo-electric high frequency horn. Features: 2 channels w/independent Volume, 4-band master EQ, DeltaComp™ Limiter, master reverb, Master Volume, EFX loop, tape in jacks (RCA), headphone jack, black tolex covering.

022-8501-000  **KXR 100** ....................................................................................................... 519.99
90 Watts into 4 Ohms, 1-15" Fender Special Design speaker, dual element horn with two FPZ drivers, Delta Comp™ limiter, three channels, low Z (XLR) input in channel one, individual volume controls in each channel, 4-band master EQ, overall master volume control, Delta Comp™ limiter, reverb, effects loop, tape-out jacks (RCA), black tolex covering.

022-8502-000  **KXR 200** ....................................................................................................... 849.99
200 Watts into 4 Ohms, 1-15" Fender Special Design speaker, dual element horn with two FPZ drivers, switchable Delta Comp™ limiter; four channels each with independent EQ, channel insert, reverb send and effects send; low Z (XLR) input in channel four, master effects return, master reverb return, master volume, recessed handles, pop-in casters, black tolex covering.

8Ω, 800W peak / 400W program / 200W per EIA RS-426. Features: cast frame 15" (38cm) woofer with 9" (75mm) voice coil, 1" exit B&C compression driver, 18-ply Baltic birch, reinforced with steel angle iron for flying. Trapezoidal cabinet with black paint finish.

Tour Series™ Lite Professional Loudspeaker Systems

071-1310-100
118sc Subwoofer ..................................................... 549.99
Same as 118s Mark. II except with black carpet covering and no flying hardware.

071-1320-100
215sc Subwoofer ..................................................... 749.99
Same as 215s Mark. II except with black carpet covering.

071-1330-100
2912c ................................................................. 699.99
Same as 2912 except with black carpet covering and no flying hardware.

071-1340-100
2915c ................................................................. 749.99
Same as 2915 except with black carpet covering and no flying hardware.

Contractor Series™ Professional Loudspeakers

071-1310-300
CS-18 ................................................................. 649.99B
Same as 118s Mark. II except unfinished sanded and sealed cabinet, ready for stain/paint.

071-1320-300
CS-215 ................................................................. 799.99B
Same as 215s Mark. II except unfinished sanded and sealed cabinet, ready for stain/paint.

071-1330-300
CS-12 ................................................................. 749.99B
Same as 2912 Mark II except unfinished sanded and sealed cabinet, ready for stain/paint.

071-1340-300
CS-15 ................................................................. 799.99B
Same as 2915 Mark II except unfinished sanded and sealed cabinet, ready for stain/paint.

Artist Series Stage Monitor Loudspeaker Systems

071-1272-100
1272A ................................................................. 219.99
16Ω, 400W peak / 200W program /100W per EIA RS-426. Features: 12" (30 cm) woofer, dual piezo high frequency drivers, front panel level control, black carpet covering.

071-1275-100
1275A ................................................................. 249.99
16Ω, 400W peak / 200W program /100W per EIA RS-426. Features: 15" (38 cm) woofer, dual piezo high frequency drivers, front panel level control, black carpet covering.

SPL Series™ Stage Monitor Loudspeaker Systems

071-1282-100
1282 Mark II .......................................................... 549.99
8Ω, 600W peak / 300W program / 150W per EIA RS-426. Features: cast frame 12" (30cm) woofer, 1" (25mm) exit compression driver, passive crossover, black carpet covering.

071-1282-107
Lid for 1282 Mark II .............................................. 84.99
A matching (black carpet) lid with casters for the 1282 Mark II monitor. For transportation and protection. Includes locking hardware to secure the lid on the monitor.

071-1285-100
1285 Mark II .......................................................... 599.99
8Ω, 800W peak / 400W program / 200W per EIA RS-426. Features: cast frame 15" (38cm) woofer, 1" (25mm) exit compression driver, passive crossover, black carpet covering.

071-1285-107
Lid for 1285 Mark II .............................................. 89.99
A matching (black carpet) lid with casters for the 1285 Mark II monitor. For transportation and protection. Includes locking hardware to secure the lid on the monitor.
Accessories

071-1360-000 Gooseneck Lamp ................................. 19.99
Flexible, 12V, 5W, BNC connector. Works well with PX Series Powered Consoles.

Tour Series RIGSAFE™ Loudspeaker Rigging and Flying Hardware

The Fender RigSafe™ system is comprised of a series of ATM Fly-ware™ components that work together to provide a safe and secure way of rigging and flying the Tour Series and Contractor Series loudspeakers. Using the RigSafe™ system, single speaker or large multitracked concert arrays can be constructed, set up, torn down and modified as required. For permanent installations, the RigSafe™ system allows for the ultimate in safety and peace of mind when flying systems above an audience. For a complete description of the RigSafe™ system, please refer to the free "Flying With Fender RigSafe™" brochure and tutorial about what hardware is needed for loudspeaker flying (P/N 004-9646-000).

071-1349-000 RS-1/2-SPA Shackle ................................................................. 10.99
Used to attach the RigSafe™ Shackle Mount Extended to the steel cable or round sling that is attached to the support element for the flying loudspeaker array.

071-1350-000 RS-2912-TH 1X2 Series Truss Module ........................................ 120.99
A trapezoidal shaped steel tubing that attaches to the top and bottom of each loudspeaker. Two RS-2912-TH units are required for each loudspeaker used in a multi-speaker array. Designed for use with the CS-12, CS-15, CS-18, 2912, 2915 and 118s.

071-1351-000 RS-1X2-40 Forty Degree Connecting Bar ................................ 54.99
A machined aluminum bar that slips into a receptacle on the rear of both truss modules (top & bottom of the speaker cabinet) and is used to interconnect and control the horizontal display angles between loudspeakers. Two connecting bars and four quick release pins are required to connect each pair of cabinets.

071-1352-000 RS-1X2-SB Stacking Bracket .............................................. 43.99
Used for stacking multiple loudspeaker cabinets in vertical alignment without any tilt. Arrays may be up to 3 cabinets high. 4 stacking brackets and 8 quick release pins are necessary to connect 2 loudspeakers.

071-1353-000 RS-1X2-SME Shackle Mount-Extended .................................. 65.99
Attaches to the top truss module providing points for shackle attachment and/or lifting cables. At least 2 with 4 quick release pins are required for each array. The shackle mount extended may also be used to under hang a bottom cabinet with vertical tilt/angle control.

071-1354-000 RS-1X2SME-AP Attachment Hardware Kit ............................... 2.19
Used to secure RS-1X2-SME shackle mount to the RS-2912-TH truss in permanent installations. Eliminates the need for the four quick release pins.

071-1355-000 RS-QRP-2.5 Quick Release Pin (2.5") .................................. 17.59
Removable pin used to safely secure the elements of the RigSafe™ system (shackle mounts, connecting bars and stacking brackets) to the truss.

071-1356-000 RS-LSC9000 Locking Steel Carabiner, 9000 lb.(4083 kg) Capacity With Locking Gate .. 25.29
For attachment of the lowest tier of loudspeakers when a downward tilt is required, or for quickly attaching a single cabinet when using the forged eyebolts.

071-1357-000 RS-FEB1 Forged Steel Eye Bolt ............................................ 5.49
For use where only a single cabinet needs to be flown. Screws directly into the cabinet and creates flypoints to suspend the loudspeaker.

071-1358-000 RS-SSSET Round Sling ..................................................... 39.99
A 6 ft. (1.83m) nylon Polyester sling used to connect the loudspeaker array to the chain hoist motor or to box truss and/or other portable or building superstructures. (Round slings and Span Sets™ are prohibited for use in some countries. Please check with local authorities before purchasing.)
**Speaker Stands**

**071-0271-000**

ST-75 Ultimate Support Systems™ Tripod Speaker Stand (Black) ........................................ 139.99

A heavy duty tripod stand constructed of anodized aluminum alloy tubing, 75 lb. (34 kg) loudspeaker carrying capacity. Has both 1-3/8" & 1-1/2" (35mm & 38mm) diameters to fit any loudspeaker.

**071-1359-000**

Mounting pole for 215s or 215sc (Black) ........................................................................... 49.99

Heavy duty 54 in. (1.37m) pole constructed of anodized aluminum alloy tubing, inserts into top of the CS-215, 215s or 215sc and holds all mountable Fender speakers. 1-1/2" (38mm) diameter.

**005-0508-000**

Speaker Adaptor .................................................................................................................. 1.50

Short 2" (51mm) tube that allows Fender speakers to be mounted on 1-3/8" (35mm) stands. Plugs into the 1-1/2" (38mm) stand adaptor of Fender speakers.

**Educational Materials**

**991-7000-000**

“Making The Connection” The Fender Pro Audio Primer (English) ................................. 19.95

A complete self-teaching course on professional audio, covering everything from the performer to the equipment, to room acoustics, and finally to the listener's ear. As opposed to a typical dry, technical tone that goes right over the head of most readers, "Making The Connection" is a humorous yet informative book that assumes no previous knowledge of pro audio. It brings the reader up to speed quickly without offending the intelligence of anyone with some knowledge of the field. A valuable resource and the perfect companion for any Fender pro audio sound system. "Making The Connection" is also extremely useful for training a retailer's sales staff. 250 pages.

**991-7000-002**

“Conectando” El manual de audio de Fender (Spanish) ....................................................... 19.95

A Spanish version of the “Making The Connection” book (see above). 200 pages.

**004-9646-000**

“Flying with Fender Rigsafe™” ........................................................................................... N/C

A brief manual to familiarize the reader with the parts in Fender's RigSafe flying system for use with the Tour Series and Contractor Series loudspeakers. Weights and working load limits of all parts are listed for the professional rigger. 4 pag
For top performance, all Fender acoustic and electric guitars and basses are factory equipped with genuine Fender strings.

All prices listed herein are Manufacturer's Suggested Retail Prices. All prices, features and specifications are subject to change without notice.
