Strings—See your authorized dealer for a wide selection of genuine Fender strings for electric guitars, basses and acoustic guitars.
# GUITAR AMPLIFIERS AND COVERS

## Vacuum Tube Amplifiers
The fundamental design concepts of Fender’s tube-type amplifiers have remained essentially unchanged. Playing styles have led to sophisticated tone control and equalizer circuitry, extra gain and controlled tube distortion. However, the distinctive “Fender Sound” remains the standard of the industry.

### Champ II
- 21-4500 Champ II .......................... 249.00
